

*Ideal for Human Resources, Hospitality, and Interactive Transaction Applications*

## THE DESK TOP SERIES KIOSK

### STYLE COMBINED WITH HIGH-END FUNCTIONALITY

The Desk Top kiosk series provides an inviting and fully functional self-service venue. Extended use applications, such as employee benefit review, job application, and Internet retail can realize significantly increased return with the DeskTop's unique seated footprint. Fresh station design complemented with a variety of finish, color, and custom graphic options, creates harmony within any professional décor.

Engineered with high-end functionality in mind, the Desk Top comes loaded with a Celeron or P4 computer, laser printing capability, and a full complement of media reading options. The ADA compliant station design ensures all users can access your applications on demand.

Graphic or backlit signage options enable you to finish the look with your signature branding. This power packed station is ideal for human resources, retail, hospitality, and interactive transaction applications.

The Desk Top kiosk has two seating options:

- Wheeled public use chair
- Affixed public use chair

*See reverse for a detailed list of Desk Top Series models, specifications and dimensions.*
