and Highly
configurable!*

THE WEDGE SERIES KIOSK

FORM THAT FOLLOWS FUNCTION

The Wedge Series are standalone multimedia kiosks that offer several convenient light box options to accommodate any advertising or signage. The Wedge Series are durable, versatile, and highly configurable. These kiosks are ideal for use at trade shows, business presentations or as permanent installations.

We offer several types of sit-down Wedge kiosk configurations, available with attached or detached seating. Your customers can apply for jobs, browse information, check email, or search the internet in complete comfort.

The Wedge kiosk can be configured in many ways to maximize the value of your marketing and corporate image. This kiosk can be branded with your corporation's logos and advertising materials for the greatest consumer impact.

The Wedge Series kiosk is designed to accept a wide variety of optional components from biometrics to printers, monitors to card readers. Reliable and tested components.
